**Full Job Description Below:**

Reporting to the Maintenance Manager, the Maintenance Technician is responsible for preventative and reparative maintenance to all CCK buildings, equipment, and property. The Maintenance Technician provides trade skill labor, hands on assistance, and custodial support to the Chattanooga Community Kitchen.

Position Responsibilities:

- Perform preventative maintenance of all CCK buildings and equipment in accordance with CCK policy and manufacturer recommendations
- Perform trade labor duties such as carpentry, plumbing, and electrical work
- Perform repairs of all buildings and equipment
- Replace parts and equipment necessary for CCK operations
- Inspect buildings and equipment for safety concerns
- Clean buildings, equipment, and grounds as needed
- Touch up and other painting as needed
- Assemble parts and equipment
- Maintain inventory control and accountability on maintenance equipment and supplies
- Other duties as assigned

Qualifications

- High school diploma or GED (preference for higher education)

- Maintenance experience preferred
- Ability to stand, walk, and bend for an entire shift
- Ability to lift 50lbs regularly
- Ability to work independently or with minimal supervision
- Ability to work from ladders, on uneven grounds, and in “construction” areas with risk associated
- Problem solving and troubleshooting skills
- Ability to transition between tasks on a moment’s notice
- Ability to handle crisis situations while maintaining professional composure and confidence
- Interest in, understanding of, and belief in the overall mission of the Chattanooga Community Kitchen
